

THE GNOME DEPOT

From big to small, from short to tall, Gnome has the biggest selection of gnomes worldwide. Forget about that old boring gardening with your wife or husband, buy a small midget to keep you company while planting your flowers. Also, our gnomes have a special alarm system that can tell when someone snooping through you petunias.

*I hear someone in your
petunias!*

The Plumber

Oh no!! Your pipes busted and there's water everywhere! Well I guess it's time to call the plumber. Oh the plumber is a 2 ft tall elf who also watches over my garden. No problem!
