## MATH 8 PROJECT ON PERCENTS

### BE A PART OF THE WEB BY CREATING A CATALOG

For the upcoming Post Holiday Season, a Web master is looking for catalogs to post on a discount catalog web site. In cooperative groups, you are to create a discount catalog to be posted on the web site. This catalog can have any type of theme. (For example: clothes, toys, food, sporting goods, paper goods, etc.) This discount catalog must include the following:

- 1) A **creative cover**, representing the theme of your catalog.
- 2) Each member of your advertising team is to **produce at least 2 items** for the catalog. Each item must include the following:
  - a) A **colorful picture**
  - b) A **description of the item** and if applicable, include the colors, sizes, age levels, etc.
  - c) The **percent of discount**
  - d) The **sales price**
  - e) The **amount of savings**

Your **final grade** will be based on the following:

- 1) **Accuracy**
- 2) **Creativity**
- 3) **Overall presentation**
- 4) **Required elements**
- 5) **Shared responsibility**

You will be given a **group and individual grade**.
